Meeting called to order at 6:04pm by President Jeff Cuneo.

Jeff began by discussing the incident on Clermont St. and suggested postponing the discussion to the next board meeting.

Changes to Zoning

Andrew Webb discussed the group living rule and other zoning code changes that the city will be addressing as part of this process. Tom Hart moderated a discussion of questions related to the presentation.

CM Sawyer requested that RNOs request the de-bundling of the issues before planning .

Jeff suggested a board conversation over email to address these items with an up or down vote.

Cherry Creek Development

Sue Bollman presented on the upcoming development in Cherry Creek and a discussion was held as to if our RNO is going to take a position.

Steven Paletz made a motion to support the Cherry Creek development project in Mary Morisette seconded the motion. Motion passes with some board members opposed.

Motioned to adjourn approved unanimously.

Meeting adjourned at 7:31pm.

Respectfully Submitted by Steven Paletz
